MENG Zhanpeng

Hong Kong SAR / Harbin, China | 26110672d@connect.polyu.hk | (+852) 5497 8654 (+86) 18346032007

Education

The Hong Kong Polytechnic University (PolyU) Hong Kong SAR
BSc (Hons) Scheme in Data Science and Artificial Intelligence Sep 2026 - Present

Relevant Coursework

- Honour Calculus, Linear Algebra, Python Programming, and Artificial Intelligence Principles.

Selected Awards & Competitions

American Mathematics Competitions (AMC 10): Global Top 5% (Honor Roll) 2023

Professional Experience

"Your favor will be my very first Professional Experience."

Selected GitHub Projects *(All 100% Hand-Crafted Code Without AI Assistance)*

msyk-invasion (Third-Party Client for Meishiyouke) 2025
Primary Contributor (Python) GitHub

- Spearheaded a three-month intensive maintenance, adaptation, and feature development cycle as a primary contributor.
- Implemented automated signature (`sign`) decryption, assignment and answer retrieval, and document downloading utilities.

msyk-tools (Meishiyouke Utility Toolbox) 2025 – 2026
Primary Contributor (Python) GitHub

- Developed an extended Python toolbox building upon `msyk-invasion` for Wanpeng Education's Meishiyouke platform, restructuring workflow modules and optimizing global variable dependencies.

Laprichael/fluttermsyk01 (Cross-Platform Mobile Client) 2026
Primary Contributor (Flutter / Dart) GitHub

- Independently refactored and migrated the full functionality of both Python projects (`msyk-invasion` and `msyk-tools`) into a unified cross-platform Flutter mobile application.

Skills & Expertise

- **Programming:** Python and Flutter (Dart). Capable of traditional, from-scratch programming completely independent of AI, while also proficient in leveraging AI tools for workflow efficiency.
- **Typing Speed:** English (56 WPM), Traditional Chinese (65 CPM).
- **Software & Systems:** Adobe Premiere Pro (Pr), Adobe Photoshop (Ps), Microsoft Office (Word, Excel, PowerPoint), and LaTeX; proficient across Windows, macOS, and Linux operating systems.
- **Languages:** Mandarin (native), English (proficient), and Cantonese (actively learning, supported by a strong aptitude for language acquisition).

Extracurricular & Volunteering

- **Community Service:** Volunteered 100+ hours at an air pollution control organization in Harbin, supporting environmental governance and public awareness campaigns.
- **Work Ethic & Motivation:** Hard-working, resilient, and willing to endure challenges; highly eager to gain practical internship experience and continuously elevate professional capabilities.
